Updated:	01/15/2013	**Due date:**	
Description:	Today I noticed that printing seems to hang after printing the last page.		
	I use separate answer sheets.		
	The version I tested with is 1.1.1267-1, built locally from svn on 2012-12-31.		
	I will update, build again and restest.		

History

01/15/2013 04:04 pm - Pieter Van den Hombergh

Today I noticed that printing seems to hang after printing the last page.

I use separate answer sheets.

The version I tested with is 1.1.1267-1, built locally from svn on 2012-12-31.

I will update, build again and retest.
