

Auto Multiple Choice - Bug # 163: can not identify the subfolders in Projects folder

Status:	Closed	Priority:	Normal
Author:	red sea	Category:	
Created:	04/12/2013	Assignee:	
Updated:	11/03/2017	Due date:	
Description:	I have a large number of project files (inside PROJECTS folder), and has tried to put them in subfolders. For example projects monthly tests in a folder, but AMC can not identify the subfolders of the projects. regards,
