

Auto Multiple Choice - Feature # 271: Error message for some common scoring strategy syntax errors

Status:	New	Priority:	Normal
Author:	Alexis Bienvenüe	Category:	
Created:	05/25/2014	Assignee:	
Updated:	05/25/2014	Due date:	
Description:	It would be nice for the user to be warned when she made some mistakes choosing a scoring strategy, as: * unavailable options (like @ghasf=2@) * options in simple questions answers (@\correctchoice{Good}\scoring{b=2}@) * comma as the decimal separator (@b=1,5@) instead of period See message#2417
